

📱 Escort & Companion Booking App — UI/UX Layout Walkthrough

Focus: Structure, Content Display, Screen Hierarchy

(Fonts, colors excluded per previous direction)

1. Splash & Onboarding

◆ Splash Screen

- Centered logo with subtle animation (zoom or fade-in).
- Tagline (single line, spaced below the logo).
- Language selector **fixed to bottom center** (dropdown or country flags).
 - ☐ **Recommendation:** Separate tagline and language picker visually using a light divider or vertical spacing (especially for smaller screens).

◆ Welcome Screen

- 3 core action buttons (pills or block):
 - **Continue as Customer** 👤
 - **Join as Supplier** 🧳
 - **Login** 🔑 (as text link or small button below)
- Use icons to enhance recognition:
 - 👤 for Customer
 - 🧳 for Supplier
 - 🔑 or 🏠 for Login
- Maintain generous vertical spacing between actions for tap clarity.
- Optional: Add a subtle divider between main roles (Customer/Supplier) and returning user (Login).

♦ Language Selector

- Full-screen or modal layout.
 - List language options using:
 - Flag + Language name (left-aligned)
 - **Highlight current selection** with tick icon  or background highlight.
 - Continue button at bottom fixed.
 - ☐ **Recommendation:** Visually group local (Thai) and international languages with a section label or separator.
-

2. Customer (Client) Journey

♦ 2.1 Login / Signup

- Tabbed card-style modal:
 - **Login Tab:**
 - Icons for each method:
 - Google (G)
 - Facebook (F)
 - Phone ()
 - **Sign-Up Tab:**
 - Fields with clear labels & icons:
 - Name ()
 - Phone ()
 - Email ()

- OTP screen: large digit fields, auto-advance cursor.
- Place "Accept Terms" as final item with checkbox and link ()

♦ 2.2 Home / Explore

Top Section

- **Search bar** () in pill style, placed top-center.
- **Filter Button** ( or ) opens modal with:
 - Region 
 - Price Range 
 - Categories
